W. P. No. 1475 (S/S) of 2007
Hon. Prafulla C. Pant, J.

Heard Shri Manish Arora, learned counsel for the petitioner and Shri Gopal Narain, learned counsel for the respondents.

By means of this writ petition, the petitioner has sought regularisation in service. Admittedly, the petitioner is a Seasonal Clerk with Sahkari Ganna Vikas Samiti Ltd., Iqbalpur. It is argued that he has put in some 29 years of service.

In view of principle of law laid down in ***Secretary State of Karnataka Vs. Uma Devi (2006) 4 Supreme Court Cases Pg. 01,*** this Court cannot direct the regularisation of an employee, who has not been inducted in the service through a selection process under the Rules. As such, this Court is not inclined to grant relief sought by the petitioner. The writ petition is dismissed. However, considering the length of service put in by the petitioner with the respondent society, it is observed that the petitioner may make representation regarding redressal of the grievances to the authorities concerned and the authorities concerned may take a decision, as per the Rules.
